CITY SEEKING DEVELOPER TO PARTNER ON ECONOMIC DEVELOPMENT OPPORTUNITIES

The City of Beaufort is a small city located in the Lowcountry of South Carolina with a population of 13,000+ and a daily pass-through population of 50,000+ is looking to develop a public/private partnership with an established developer of commercial type projects.

The City recently acquired an 18,000 sq. ft. two story office building on one of the main streets in the City and is looking to partner with a developer who has experience, vision, and an understanding of the economic needs of historic cities. In addition the City owns an industrial park with 180 acres of land with most of the utilities and infrastructure in place that it wants to develop as well.

If you are a developer with a proven track record and experience we want to hear from you and discuss your thoughts and vision to assist our Redevelopment Commission with the growth of our city. The City's Redevelopment Commission will select a developer to work with based on experience, history, and well established references.

If you are interested we would like to hear from you: Please forward a letter of explaining your interest along with information on your company history and recent projects that you have worked on with municipalities. Send everything care of William A. Prokop, City Manager, 1911 Boundary Street, Beaufort, SC 29902 or e-mail: wprokop@cityofbeaufort.org.

CAMPUS CENTER EXPANSION PROJECT

The Beaufort Jasper Higher Education Commission (BJHEC) on behalf of the University of South Carolina Beaufort (USCB) is hereby soliciting Statements of Qualifications from qualified firms to provide architectural and engineering design services to provide professional services for the design and construction administration for the Campus Center Expansion project on the Hilton Head Gateway Campus of the University of South Carolina Beaufort.

Project Name: Campus Center Expansion Project

Project Description: The project will consist of an approximate 6,750 square foot, single story wood frame building that will house the Student Housing Offices, Student Mail Facility and a Multi-purpose Meeting Room that can be divided into two separate meeting rooms for classes. Building façade shall be consistent and compatible with the existing student housing buildings on campus. Other work might include the programming and concept development of an approximate 5,800 square foot Outdoor Multipurpose Plaza for student activities. The project will be placed on a site behind the existing Campus Center building between the Campus Center and the Okatie Student Housing dormitory.

Anticipated Construction Cost Range: \$1.0 to \$1.5 million.

General Scope of Work: Professional Architectural and Engineering services to program, design, assist with procurement and provide construction administration services in accordance with USCB's existing concept design.

Submittal Requirements:

1. Responses to the RFQ will be received by no later than 2:00pm on April 5, 2016, in electronic format (PDF preferably) sent by email to Abby Moonen, Procurement Manager, at moonena@uscb.edu. Qualification packages received after the advertised time and date will not be accepted and will not receive any further consideration for this project.

2. Qualifications submittals shall include:

a. Description and Resources-Provide a maximum of five (5) pages of basic company information including the description of the location of the office that will be responsible for this work, the legal formation of the company, the history and growth of the company, services the company provides and the market sectors that the company serves.

b. Experience and Qualifications-Provide a maximum 10 pages describing the professional qualifications and level of experience for the principal architect and engineers in the design of projects similar to this project and information on the company's related experience on projects of similar size, type, function and complexity.

The Owner's selection committee will review all submissions and will rank them in order of their qualifications and experience. The Owner will enter into contract negotiations with the firm that is determined to be the most qualified. If contract agreement is not completed within 10 working days the Owner will terminate negotiations and go to the second ranked firm. The Owner reserves the right to conduct post qualification submittal interviews with selected qualified firms.

VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term. The links below take you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules.
